

Student Support and Programing

Role: First-Year Representative

Description:

The First Year Rep is responsible for representing and fostering connections between first-year FIMS students through different initiatives.

Additional responsibilities include:

- Building a tight-knit community of First Year Students through communication across digital mediums
- Working with the President, VP Student Support and Programming, and VP Academics to create and facilitate events for First Year Students in social and educational contexts
- Voicing the concerns and views of First Year Students.
