NEWSLETTER

Hey everyone,

We hope you had a fun and restful Reading Week - what a much-needed break it was from the bustle of January and February! Can you believe there are only two more months in the academic school year?!

March is a month packed with festivals, events and a galvanizing moment for the FIMS faculty with the constitutional review, so make sure you keep an eye out for these exciting activities!

While it is important to make sure you're up to date and ready for school, it is just as important to take care of your mind. Have a happy and safe month!
