

FIMSSC NEWSLETTER

Hey everyone,

We want to wish everyone good luck for the next three weeks - it is indeed a stressful time, but put your all into it for the next couple of weeks; we promise you it will come to fruition! You are almost there!

Most of all, take care of yourself. Take breaks, find balance, and reach out for support when needed.

Have a happy (and safe) holiday season, we'll 'see' you back in January!

NEWS THIS MONTH

FIMS Councillor on the USC

Hi folks!

Hope you're all well. Just wanted to drop by to let you know about a new opportunity for next year! At the last USC meeting, we voted to introduce Councillor positions for faculties with enrolment under 1000. That means that **FIMS is receiving a Councillor seat on the USC for the 2021/2022 year!**

What does that mean? The USC ensures that the diverse needs of everyone at Western are heard and acknowledged. Along with the incoming FIMSSC President, the FIMS Councillor will voice our faculty's concerns, needs, and ideas to the Western community. The FIMS Councillor will act as a liaison between the FIMSSC/FIMS community and the USC, keeping the doors of communication open and accessible for everyone.

Sound interesting? If you want to work as FIMS councillor, **you will need to run a campaign in the 2021 USC Elections (happening early next semester)**. Keep your eyes on FIMSSC socials for more information about running for the FIMS Councillor seat, creating a platform, and running a campaign!

As always, feel free to reach out if you have any questions, you can email me at kbenne47@uwo.ca or message me on any socials!

Happy finals season!

-Katie Bennett, FIMSSC President
